Memphis 17, Tennessee

Dear Eddie:

The last three weeks have seen me in two meetings and a teachers training clinic. This all means that I have been unable to locate you a place to speak in this area on July 30. It is with extreme regret that I inform you of this. Words cannot express my real interest in your work but at the same time conditions here coupled with 9 meetings this summer have made my work demand 24 hours a day.

Please accept my apologies for failure in this matter and to be assured that I stand ready to help if the need arises again in any way in the future.

Faternally yours,

John Allen Chalk
